Continuing Education Units (CEUs) are provided by the University of Illinois, College of Medicine, Department of Family Medicine in collaboration with the Continuing Education Institute of Illinois. 4 CEU's available for nursing home administrators, social workers, activity professionals and nurses. Cost for CEU's is \$10.00 payable at the workshop.

Facilitated by: **Zoe Dearing, Alzheimer's Association, St. Louis Chapter**

Sponsored by: **Illinois Pioneer Coalition through a grant from the Retirement Research Foundation and the Regional Pioneer Coalition of Northwestern Illinois.**

Who should attend: **All professional caregivers in health care, long term care, aging and related fields.**

Inspired by John Kotter's most recent book, *Our Iceberg is Melting: Changing and Succeeding Under Any Conditions*, this half-day training will teach leaders and visionaries how to implement successful and sustaining culture change.

Using Kotter's defined 8 Steps of Change, *If Penguins Can Do It, So Can We! Preparing a Community for Culture Change*, will help health care communities overcome the challenges and resistance to change through theoretical information and practical suggestions.
